

# UNBEATABLE SPORTS FLOOR PROTECTION

# TOBY SPORTS FLOOR FINISHES

Toby's new range of timber floor finishes has been developed to provide superior protection to withstand the rigorous demands of timber sports floors.

## TOBY AQUAMAX COMMERCIAL SPORT

- Two pack water based finish for timber floors
- Excellent flow and levelling for easy application
- Excellent wear and scuff resistance
- Natural non yellowing finish
- Low odour
- Low VOC – meets green building standards <140g/L
- For a complete water based system, use with TOBY AQUAMAX ROLLER SEAL as the first coat
- Use with Toby GF BARRIER SEAL or RAPID SEAL\* as the first coat if increased colour development and superior resistance to tannins and natural oils is required on timbers such as Brushbox and Blackbutt.

## TOBY UMO SPORT

- Urethane Modified Oil for timber and cork floors
- Excellent flow and levelling for easy application
- Very good wear and scuff resistance
- Enriches the natural colour of the timber
- Use with TOBY RAPID SEAL as the first coat
